620-09 BONFIRE REQUEST

A letter has been received from Folly Fields Residents Association requesting permission to hold a bonfire on an allotment plot at the Folly Fields site. The Association have submitted a Risk Assessment and a copy of their insurance policy for approval.

Councillors have inspected the site. The allotment holder is very happy for the bonfire to be held on his plot. Adjoining plot holders have no objections to the bonfire which will be constructed of and burn wood. There will be no fireworks at the event.

Members considered a written request from Mrs. Goodwin to extend the water pipe and fit a tap nearer to her horse shelter.

Whilst inspecting the allotment site, following up on the minutes of the last meeting, members took note of allotment plots that are not being cultivated in line with the allotment regulations.

Resolved: **1 To approve the request for a bonfire to be held on a plot on Folly Allotment Field on 5 November 09. Deputy Clerk to inform the Folly Fields Residents Association. Letter to go to**
